**There are various reading and comprehension abilities at all grade levels. We have tried to choose books that will cover all these levels. Summer recreation reading should be fairly easy, enjoyable reading. It should not be a struggle. Please help your children choose books that are appropriate for their reading levels.

The books on this list are only suggestions. There are many more books that are also appropriate. Ask assistance from you public librarian or from book store personnel.

The third grade required reading title is *7 X 9 = Trouble* by Claudia Mills.

Please avoid reading The Indian In the Cupboard by Lynne Reid Banks and The Hundred Dresses by Eleanor Estes. These books will be shared as novel studies during the school year and should not be read in advance.
